## January–February 2018

### Dear Praying Friends:

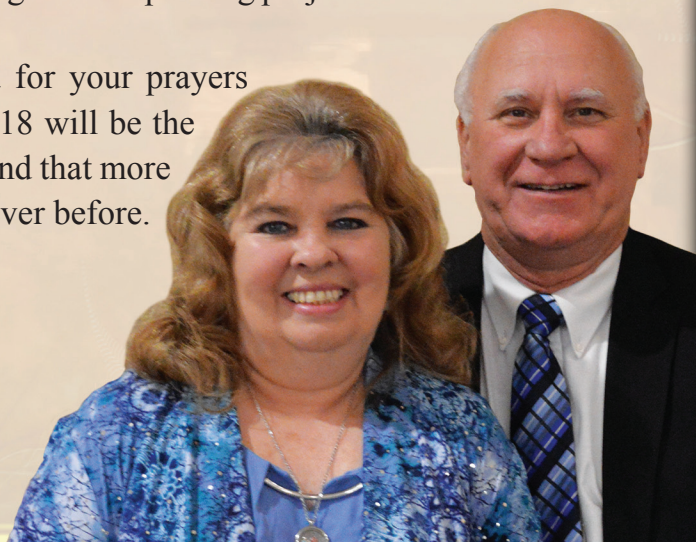

2018 is off and running, and time waits for no one. We confess, however, that this year has been a hard starter for Vicki and I, with several bouts of the flu. Most of our January meetings were either canceled or cut short because of the bug. Praise the Lord that it's behind us and we are back in the saddle, looking forward to a good year. We praise the Lord for several South Carolina churches who gave generous offerings last year to finish up the cost of the Zimbabwe, Africa project and to help us with the cost of an up-coming load of paper. "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).

Since the first of the year, we've been in meetings in Florida, Georgia, Tennessee, North Carolina, Kentucky, and South Carolina, preaching and presenting Victory Baptist Press and the need for printing God's Word. Recently, our hearts were thrilled as we heard a missionary and long time friend tell of his work in Papua New Guinea, creating a written language for a mountain people and then translating the Bible for these people. We so look forward to the chance to print it.

Earlier this month, we were able to purchase, move, and set up a press for our print shop. It took about ten days from start to finish, and we believe it will be a great help to Victory Baptist Press, allowing us to do printing projects in the future that we were not set up to do in the past.

Vicki and I want to thank you for your prayers and continued support. We hope 2018 will be the best year we have ever had at VBP and that more Scripture will go out the door than ever before.
