

**World War II (1941-1945) ended with the
surrender of Japan on August 15, 1945, by way
of a public radio announcement.**

General Douglas MacArthur led the US Military to join forces with the Philippines and accepted the signing of a full surrender of the Japanese military on the deck of the USS Missouri in Tokyo Bay on September 2, 1945, officially bringing the war to an end and liberating the Philippines from Japanese control.

For many years the Philippines has welcomed American missionaries, and many of them have responded and done some marvelous work among the Filipino people, and now it seems that a new door of opportunity has opened.

Through the ministry of Missionary Gerald Sutek, who has faithfully served in the Philippines for more than twenty years, there is now an open door for VBP to supply that country with our military edition Bibles, which are simply King James Bibles with a military-themed cover for the military bases.

Earlier this year we shipped 1,000 of these Bibles to Brother Sutek, and the following pictures show how the Bibles are being used on the Philippine military bases.

Our plans are to send another 10,000 in the next shipment, but the number could well be much larger before we get to the actual printing. It could be that we have just touched the tip of the iceberg.

Thank the Lord for the opportunity to provide His printed Word for ministries both at home and abroad, and thank you for your support that keeps the presses running and the Word of God going out without charge to those who receive them.
